

Please Join Us for a Roundtable Discussion on Delivering Broadband to Rural Washington

Featuring:

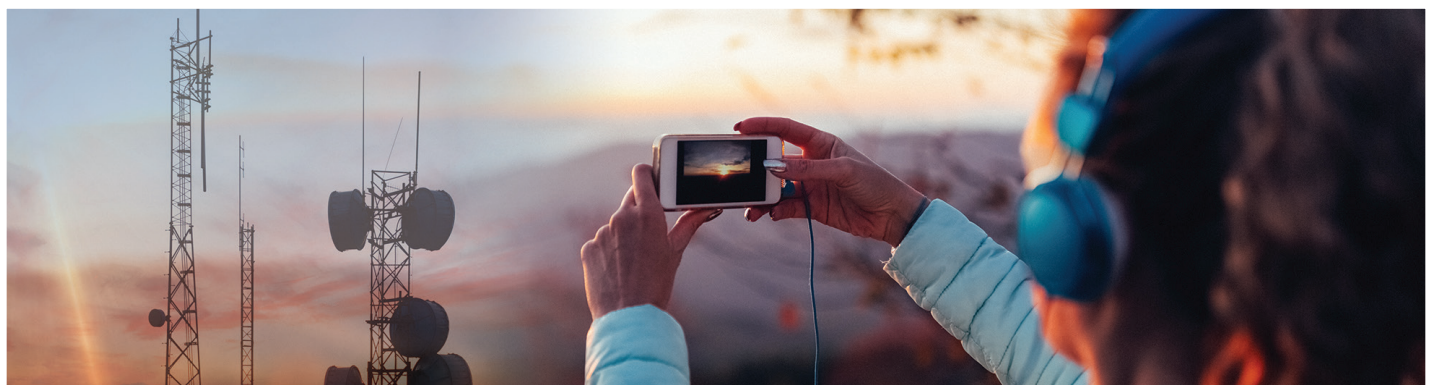

**United States Representative
Dan Newhouse**

Access to the internet is a key economic driver for all communities. From public safety to healthcare to education, connectivity plays a critical role in our lives. Please join the conversation with United States Representative Dan Newhouse (R-WA-04) and industry leaders to discuss the progress that is being made and the opportunities that exist in policy and technology to bridge the digital divide for Central Washington.

WHEN: August 23, 2017 at 1:30 p.m.

WHERE: Tri-Cities Airport Conference Room
3601 N. 20th Ave., Pasco, WA 98301

Space is Limited • Must RSVP to Attend

Please RSVP to info@pacifictechnology.org

The Event is Free
